Greg, make sure to open up the attachment as the estimate is easier to read and is what we signed. I wrote a check for \$14,000 to The Lewis Co. so it appears the balance will be around \$10,124 before adjustments that he will discuss. Meeting several people at Kyo's Happy Hour to go over meeting items at 4:00-5:30 so you could call me then if you need to.
