## NOTES TO CUSTOMER

Install Friday April 30th.

## TERMS AND CONDITIONS

Price includes delivery and installation. 8 year manufacturer's warranty. Additional buoyancy boosters may be needed due to the weight of your boat and motors. I will bring several and we will only use them if we need them- they are \$180 each if needed in addition. I can not be responsible for damages if props hit ground due to shallow depth. Thank you very much for your business!
