

Wave Armor

PRODUCT ASSEMBLY INSTRUCTIONS:

Item # | Product Name: #302685 Buoyancy Booster Pro PWC Ports

Parts List:	Tools Needed:
1. Buoyancy Booster, qty 2	1. None
2.	2.
3.	3.
4.	4.
5.	5.
6.	6.

Assembly Instructions:

1. Push buoyancy booster under the water and into the last pocket on the bottom of the PWC Port as shown below. Booster will lock into the pocket from the water pressure. **Use caution to keep from pinching fingers or hands between the buoyancy booster and the port.** Repeat on other side.
